Students are encouraged to complete their honors thesis with a faculty member in the Department of Economics. If you wish to complete your honors thesis with a faculty member outside the department, you must also submit the following:

- 1. A draft of your abstract
- 2. A statement explaining why you are completing your honors thesis with the faculty member outside the department
- 3. Information about your faculty mentor, including the College/Department he/she has an appointment in, and some information about their specializations

Completion of an honors thesis with a faculty member outside the department is subject to approval by the Undergraduate Chair. We recommend submitting your application early to avoid any delay.
